PROJECTS

My Portfolio 04 Jan, 2026 - 07 Jan, 2026

Key Skills: HTML CSS Java Script

Project Link: <https://abhya Joshi.vercel.app>

A mobile-responsive portfolio showcasing my web development work with a soft yellow aesthetic. Features smooth animations, project showcases, skills display, and personal interests section. Built with pure HTML, CSS, and JavaScript, no frameworks or backend needed. Clean, minimal design focused on user experience.

YÜGEN - The Slow Social App 26 Dec, 2025 - 01 Jan, 2026

Key Skills: HTML CSS Java Script

Project Link: <https://yugenapp.vercel.app>

YÜGEN is a slow, empathy-centered social web app that replaces likes and metrics with emotional expression. Users share short, reflective posts paired with feelings, respond through empathy reactions, and engage in intentional, ephemeral conversations. The project demonstrates how mindful design can reduce digital anxiety and encourage authentic connection.

Threads of Hope : Crochet e-commerce website 17 Sep, 2025 - 23 Sep, 2025

Key Skills: HTML CSS Javascript

Project Link: <https://shopthreadsofhope.netlify.app>

An e-commerce website developed to support my mom's small crochet business. The platform showcases handmade crochet products with an elegant and user-friendly design, allowing customers to browse, learn about, and purchase items easily. The project was built from scratch using HTML, CSS, and JavaScript.
